

BUILD THE NEXT GENERATION OF SKILLED TRADESPEOPLE

For every **5** tradespeople who retire, only **2** are coming in from the next generation. Your gift helps students discover the trades and gives them the tools to start a career.

OUR IMPACT IN THE LAST TWO YEARS

15,000+

event attendees

150+

schools bused in students

\$240K

in scholarships & awards

✓ WHAT YOUR GIFT CAN DO

\$30

Cover lunch for two students at a Skills Expo

\$150

Cover lunch for ten students at a Skills Expo

\$500

Cover busing for a class to a Skills Expo

\$1,500

Match the value of a tool grant for a school program, or a trade school scholarship

\$2,500

Match the value of a scholarship awarded at a Skills Expo

\$5,000

Cover counselor training in a local district

\$10,000

Cover a regional counselor training session

MEET MACKENZIE

"I didn't pick up welding fast; I was actually pretty behind my class at first. But I had the determination to be the best person I can be for my family... Welding is my dream, and I'm just getting started."

Mackenzie Roney, Troy, MO
2026 BBTT Scholarship · Pipe
Welding, American Welding
Academy

More ways to give: give monthly · honor a tradesperson who made a difference · double your gift with an employer match

Amounts show examples of impact; undesignated gifts go where the need is greatest.

MEET ALEX

Alex came to our Skills Expo in 2024. Today he's in welding school on a BBTT scholarship.

"This support will allow me to enter the workforce and do my part to help rebuild America's skilled trades."

Alex Gross, Jefferson, NH
Welding/Pipe Fitting, White Mountains Community College

Sponsors are listed on our website with a backlink to your website. Have something else in mind? Custom sponsorships are available.

Also: support a Skills Expo (\$1,500–\$25,000 per event) · match your employees' gifts · send employee volunteers
